

The Hills Should Be Renamed The Audrina Show

Is it just me, or is anyone else over the Audrina, Justin Bobby drama?

This is about the third week in a row where the show has been all Audrina all the time, and I for one am sick of it.

The girl never makes a good decision. In fact she hasn't made a new decision in four years. The process goes:

1. Hang out with Justin Bobby
2. Get dissed by Justin Bobby
3. Find a WAY nicer guy who likes her and gloat about how he treats her so well
4. Dump the nice guy and go back to Justin Bobby

All the new-breasted reality star talks about is how Justin Bobby sucks but how much she loves him.

That guy's got her right where he wants her. He can, and has, done whatever he wants to and she'll always come running back to him.

I'll reiterate my thoughts from last week - STUPID GIRL.

Anyhoo, onto other repetitive Hills news: Spencer's a douche...still. Heidi's an idiot....still. Stephanie seeks approval from her brother...for reasons no one can figure out.

These kids are idiots - oh how I love The Hills!
