What better way to celebrate a last minute 1-0 victory over Algeria, and top spot in Group C, than by smashing a few Budweisers in the dressing room with your country's most loved president? Wonder why they're not cracking a nice cold Stella? Yeah yeah we already went over that one a few days ago with the hotties in the orange miniskirts.

Enjoy the Buds Boys!

Now I'm not going to comment on just how potential homosexual this picture looks but Clinton looks pretty happy. Umm way to go boys!
